## Hotline

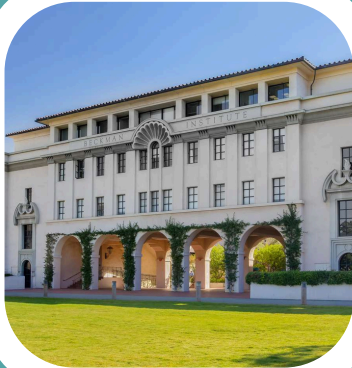

### Caltech Whistleblower Policy

Please be aware that the Caltech Whistleblower Policy prohibits retaliation against any individual who makes a good faith disclosure of suspected wrongful conduct

***“SEE SOMETHING,  
SAY SOMETHING”***

If you have an ethical dilemma or you witness something that does not seem right, we urge you to speak up.

# Caltech

## Community Involvement

All members of the Caltech community are expected at all times to comply with the laws, rules, regulations, and policies that govern the way the Institute does business and to foster an atmosphere consistent with the spirit of our Code of Conduct

*For More Information,  
Please visit the QR Codes  
for Caltech Resources*

## Code of Conduct 11 Principles

1. **Strive for Excellence**
2. **Act with Integrity**
3. **Encourage Open, Honest and Respectful Discourse**
4. **Respect and Promote Freedom of Inquiry**
5. **Foster a Supportive and Diverse Community**
6. **Commit to Education**
7. **Conduct Work Responsibly**
8. **Protect the Interests of Those Who Place Their Trust in Us**
9. **Provide and Maintain a Safe Environment for Learning and Working**
10. **Obey the Law and Comply with Institutional Policies**
11. **Represent Caltech**

## Institute Compliance Program

Oversight by high-level personnel, including an independent Institute Compliance Officer, the Office of General Counsel, and the Board of Trustees
